

Health for All (Leeds)

Established in 1991, Health for All's mission over the past 28 years has been to enable the poorest and most vulnerable people and communities to overcome the challenges of health and social inequality. We achieve our mission by investing in warm welcoming community spaces and person-centred services rooted in the hearts of local communities. These enable us to equip people with the confidence and skills to live happy, healthy and fulfilled lives. Our approach is innovative, collaborative and flexible, always responding to need.

We are working in an exciting new partnership between Health for All and Morley Cluster Primary Partnership to deliver a 'Family support' project. We are looking for a highly motivated and enthusiastic worker to work within this project.

Family Support Worker (Ref: 206) - 35 Hours per week Project initially funded until end of October 2021

To work in the school community in order to engage parents and families. Supporting parents to access self-development and parenting programmes. The role will support children and young people to fully access self-development and educational opportunities in schools and other settings.

The successful candidate will help children, young people and families overcome barriers to learning and participation and achieve their full potential they will encourage and empower children, young people and families to take responsibility for their welfare and development through widening aspirations and opportunities.

Salary: £26,100 Full Time per annum
